La Corona - An Unexpected Sundance Highlight

posted Tuesday, January 29, 2008

Have just returned from the Sundance Film Festival and trying to make sense of it all. One unexpected highlight was a short 40-minute film called *La Corona*. It's a documentary focusing on a beauty pageant that takes place within the confines of a Colombian women's prison in Bogotá. It's a bizarre reality - the content is fascinating - and during our time at Sundance this documentary short got an Oscar nomination!
